Unfortunately, we are aware of fraudsters continuing to target our communities with attempts to steal thousands of your hard-earned pounds. The latest method these fraudsters are using is to call the victim claiming to be an officer from the police, introducing themselves as DC Green or DC Clarke from Paddington Police Station. The caller says they believe someone has cloned the victim's credit card, claiming the card has been used in London and this can be verified by calling 999. The fraudster keeps control of the phone line and when the victim has dialled 999 they receive a false message confirming the scam. The victim is then asked for their credit card details. Please do not do this, please hang up and contact Norfolk Police immediate via 101 and let us know what has happened. These fraudsters are very convincing so if you are in doubt of any call/caller, just hang up and if possible call the company/organisation back via another phone to check if the original call was genuine or not.

WHAT'S HAPPENING IN YOUR AREA?

Over the last few weeks the local policing team have been out and about dealing with the local concerns around the area. One area in particular the teams has been concentrating on is suspicious activity in the rural areas. The team has been carrying out hi visibility patrols to help reassure members of the community.

Across the area some of our elderly and vulnerable residents have received unwanted phone calls from people pretending to police officers and ask the person to withdraw large amounts of cash to help an investigation. To help combat this threat the team have been visiting the elderly and vulnerable to offer advice and ensure they are safe, please remember we will never ask anyone to withdraw money as part of an investigation.

The police will never...

Contact you to ask for your PIN or bank details

Ask to withdraw cash to hand over to them for safe-keeping
