

## WIN SOME ECO-GOODIES!

Enter our 'top tips' poster competition to be in with the chance of winning some craft items and other eco-goodies to help you on your journey to living a more environmentally-friendly lifestyle.

We'd like you to create an eye-catching poster with a 'top tip' that will help people to waste less and recycle more this Christmas. The poster can be any size and can be made using any medium.

The competition is open to all Norfolk residents.

Please email us a photo/copy of your entry to [waste.managment@norfolk.gov.uk](mailto:waste.managment@norfolk.gov.uk) by Monday 14th December 2020.

Some of the best entries will feature on our social media pages. One lucky winner will be drawn at random, after the closing date, to win the eco-hamper and craft set.
